

First Church of the Castaways

By
Steven Dexheimer

TOPIC: Reconnecting with the church family, putting trust in God. In the second sketch of the five part series, the Castaways have spent months stranded on the island. Every escape attempt to this point has failed. After some bickering and disagreements, the seven come to the conclusion that, not only do they need each other, but they need God's help as well. This realization leads to a revival among the Castaways.

CAST: Four males (Gilligan, Skipper, Professor, Thurston Howell), three females (Ginger, Mary Ann, Lovey Howell), one narrator/voiceover.

COSTUMES/PROPS: Costumes and props are optional (with the exception of Gilligan's one page "Bible").

**Note: Although this sketch can be performed live, it was designed to be filmed.*
