

Real World: LifeGroup

Episode Four: All the Rage

by
Steven Dexheimer

Topic: Thomas Temper and Sam Sarcasm couldn't be more opposite. Tom has a low tolerance for silliness and wants everyone in the LifeGroup to take Bible study seriously. Says Tom: "I think Sam needs to find to group more suitable to his personality...like the preschoolers." Sam is a fun-loving joker who can't seem to take ANYTHING seriously. "I think Tom needs to be reminded," says Sam, "that God invented humor too." These two will learn that their approaches to life, when taken to the extreme, can cause more harm than good. Will Tom and Sam find common ground before they turn the LifeGroup upside down?
