

## CONTENT SUBMISSIONS GUIDELINES FOR HIGHPOWER RESOURCES

*HighPower Resources* invites you to share your ministry resources on the web for the church at large. *HPR* is committed to empowering churches for health and growth, and you can strengthen the Body by sharing your work with other pastors.

Ministry Resources which we will distribute for you:

- ❖ **Dramas** - these would be dramas which are appropriate for use in a local church or ministry setting for the purpose of edifying or encouraging the congregation.
- ❖ **Bible Studies** - currently, we are interested in multi-part Bible Studies spanning several weeks.
- ❖ **Sermons** - which are timeless, practical, and Biblical

### **Top 5 reasons to share your ministry creations through HPR:**

1. Get PAID residual income for the life of this product.
2. Share your great experience and messages with the Church
3. Encourage your members to use their creative talents
4. To help empower other churches for growth and health, by supplying them with fresh, interesting, creative, Biblical content.
5. Become an important member of an online community that shares resources

## **Requirements:**

Content for distribution will need to meet the following requirements:

- ❖ **Ownership** - You need to be the owner of the entire work. If quotations or any part of the work is derived from another source, that source needs to be acknowledged.
- ❖ **Usage** - All material on HighPower Resources has been tested and used in real-life ministry settings. Any Dramas submitted will need to have been performed in a local church setting. Bible Studies will have been studied, and Sermons will have been preached; to ensure usefulness.
- ❖ **Editing** - Our copy editor will review work for accuracy and ownership issues.
- ❖ **Dramas** - Dramas should include a "description page" which will explain details such as length of drama, characters, props needed, etc. If you filmed it on DVD, that is a bonus.
- ❖ **Bible Studies** --- The most helpful formats contain two separate studies, one for Leaders, and a Student version with fill-in-the-blanks.
- ❖ **Sermons** -- Sermons are best if they include the full content of the message; ppt notes or actual ppt file; fill-in-the-blank sermon notes, if you use those.

## **Submission Process:**

It is a very simple process to submit content for on-line distribution:

The files will be reviewed, and if approved, you will be emailed an "On-line Distribution Agreement" which you will need to sign.
2. Submit a \$10 application fee which covers all future files you submit.

3. The files will be edited & groomed for publication, and then uploaded.
