

Worst of Sinners

By
Steven Dexheimer

Description:

Based on 1 Timothy 1:12-17. Before he became Paul, apostle and tireless missionary to the Gentiles, he was Saul of Tarsus, a zealous persecutor of Christians. Taking advantage of Paul's unsavory past, Satan pays his adversary a little visit in an effort to derail his ministry. Although Paul admits to being the "worst of sinners", he reminds Satan that Christ's mercy and forgiveness has freed him (and all believers) from the mistakes of the past.
